FIRE DRILL

Members are reminded that the rooms at the Harrow Arts Centre are subject to Fire Regulations. All users should be familiar with the instructions displayed and always follow them, both for their own safety and for that of others. If the fire alarm sounds, it is important that Group Leaders ensure that the class is cleared immediately and moved to the designated Assembly Point. The Group Leader must check names against the register to make sure everyone is accounted for. This is one of the uses of the Attendance Register.

Visitors to the Harrow Arts Centre are permitted, indeed encouraged to park in MORRISON'S car park. This is open from 8 am to 10 pm. Whilst no guarantee can be given, it is considered safer than the overcrowded Arts Centre car park.
